EVENTS

Students will attend a minimum of x2 competitions with their group routine in the winter/spring, typically February-April at a regional event (i.e. Tampa, Lakeland, Orlando etc.). They will also have the opportunity to attend optional workshop events with our older team students.

Also, along with our older SDA Company dancers, our Junior dancer will have the opportunity during the season to perform at local community events!

Dancers will perform in our studio productions Winter & Spring Showcases in December and May. Their team dance will be performed ONLY at the Spring Show.

Mark your calendars for our Junior Clinic on August 28th!
